On behalf of the Naval Medical Center San Diego; the staff of the Comprehensive Combat and Complex Casualty Care Center (C5) and Project CARE take great pleasure in expressing our gratitude for your involvement in

***3RD Annual Project C.A.R.E. Symposium
"Scar Symposium"
19 - 21 September 2012***

Your extensive knowledge and professional expertise have contributed to an outstanding educational experience. Your collaboration has helped advance the field and expand treatment options within the Community and for the United States Navy during a time of Armed Conflict. These efforts will not only serve to facilitate the rehabilitation of combat casualties, but will also contribute to improved care for traumatically injured patients of all types.

*You have truly "Made a Difference"
through your service of Compassion, Respect and Professionalism.*

*Peter Shumaker, CDR, MC, USN
Co-Director*

*Nathan Vebelhoer, CDR, MC, USN
